Honeywell Scanning & Mobility Remote MasterMind License Agreement

PLEASE READ THE FOLLOWING SOFTWARE LICENSE AGREEMENT (”License”) CAREFULLY BEFORE USING THE SOFTWARE. BY INSTALLING THE SOFTWARE, YOU ARE AGREEING TO BE LEGALLY BOUND BY THE TERMS AND CONDITIONS OF THIS LICENSE. IF YOU DO NOT AGREE TO THE TERMS OF THIS LICENSE, DO NOT INSTALL OR USE THE SOFTWARE.

1. DEFINITIONS

"Device" means any computing device/instrument that is supported by the Software.

“Documentation” means all reference materials provided with the Software.

“You” or “Licensee” means the end user or the entity, who agrees to the terms and conditions of this license agreement and to whom this License is granted.

“Software” means the Honeywell Scanning & Mobility Remote MasterMind product and the following components:

- Honeywell Remote MasterMind Console
- Honeywell Remote MasterMind Package Builder
- Honeywell Remote MasterMind Deployment Server
- Honeywell Remote MasterMind Agents
- Honeywell Remote MasterMind Web Console
- Honeywell Remote MasterMind Bar Code Setup

The Software includes software components licensed by Honeywell Scanning & Mobility from third parties (“Suppliers”).

“Honeywell Scanning & Mobility” means the licensor of the Remote MasterMind Software with its principal place of business at 700 Visions Drive, Skaneateles Falls, NY 13153 USA.

2. PROPRIETARY RIGHTS

The Software, the components and all related Documentation are licensed, not sold, to You by Honeywell Scanning & Mobility for use only under the terms of this License. Honeywell Scanning & Mobility and its Suppliers reserve all rights not expressly granted to You.

The Software, including but not limited to the source code, its components, Documentation, design and structure, and any copies thereof is the proprietary property of Honeywell Scanning & Mobility or its Suppliers and is protected by copyright laws and international copyright treaty provisions as well as other intellectual property laws and treaties. All title and copyrights in and to the Software, or any copy, modification or merged portion of the Software shall at all times remain with Honeywell Scanning & Mobility or its Suppliers.

The Software also contains copyrighted material licensed from Honeywell Scanning & Mobility Suppliers and all rights to such copyrighted material rests with such Suppliers. Any copies of the Software You made are subject to the restrictions of this Agreement.

This software includes software components and other materials from the following Suppliers:

SOTI Inc.

3. GRANT OF LICENSE

Honeywell Scanning & Mobility hereby grants, upon payment of the License fee, the Licensee a non-transferable, nonexclusive, worldwide, perpetual right to:

a) install and use the Honeywell Remote MasterMind Agents and Honeywell Remote MasterMind Bar Code Setup Agent on the number of Devices this license is purchased for. This is not a concurrent use license for Devices;
b) install and use the Honeywell Remote MasterMind Console, Honeywell Remote MasterMind Web Console, and Honeywell Remote MasterMind Package Builder components on as many servers, desktop or notebook computers as You deem necessary;
c) install the Honeywell Remote MasterMind Deployment Server component on the number of servers this license is purchased for; and
d) make one copy of the Software solely for backup or archival purposes.

4. MANDATORY ACTIVATION

Activation associates the use of the Software for a specific Licensee installation. During activation, the Software will send information about itself and the installation to Honeywell Scanning & Mobility and/or its Suppliers. After installation, the Software may periodically and autonomously send such information, including, without limitation, software version, registration code, installation ID, number of Devices registered in the system, and information specific to the device on which the Software is being used, such as the engine ID. This information may be used by Honeywell Scanning & Mobility for software management, including troubleshooting, updates, upgrades, and license verification. By using the Software, you consent to the transmission of this information.

5. INTERNET BASED SERVICES AND DATA COLLECTION

5.1 Consent for Internet-Based Services. The Software may have features, including those described in Section 5.2 that connect to computer systems of Honeywell or of a Supplier over the Internet. In some instances, You will not receive a separate notice when they connect. By using some of the Software features, such use operates as your consent to the transmission of certain information for Internet-based services. Further, the use of certain Software features also operates as Your consent to the collection and transmission of data regarding use of the device to Honeywell Scanning & Mobility and its Suppliers, and to certain uses of that data by Honeywell Scanning & Mobility. If at any time You wish to cease transmission of certain information You may switch off some of these Software features or not use them.

5.2 Consent to Data Collection and Use. The Software may collect information about when, how, and under what conditions the host device is used and functions. This information may include, without limitation, information regarding system up and down time, ambient conditions such as lighting and temperature, use and performance of device features such as the scanning function, power use, kinetic events (such as drops), use of the user interface(s), backlighting use, peripheral utilization, and location information. This information may be sent periodically to Honeywell Scanning & Mobility or Suppliers and may be used by Honeywell Scanning & Mobility to assist with matters such as troubleshooting, diagnostics, repairs, preventive maintenance, and quality control/improvement. This device performance information may be aggregated by Honeywell Scanning & Mobility with similar information from other Honeywell Scanning & Mobility customers, in which case it will first be anonymized such that the source cannot be identified. Honeywell Scanning & Mobility may use this data for product improvements or other future services that Honeywell Scanning & Mobility may decide to offer.

6. LOCATION BASED SERVICES

The Software's location based services ("LBS") can be used with Devices that are equipped with a GPS receiver or devices that utilize cellular based location capabilities. The LBS feature in the Software is powered by Microsoft's Bing Maps technology. The service **Terms of Use** and **Privacy Statement** for Microsoft's Bing Maps technology may be accessed at: http://go.microsoft.com/fwlink/?LinkId=21969; http://go.microsoft.com/fwlink/?LinkId=21970 . In order to access this third-party system, the product registration code is passed from the Software to the Honeywell Scanning & Mobility and/or its Suppliers LBS Server, which in turn requests a non-identifying token from Microsoft's Bing Maps service on behalf of the end user.

7. RESTRICTIONS

Except as and only to the extent expressly permitted in this License and by applicable law, You may not:

(a) transfer, sublicense, lend or rent the Software or use, copy (with the exception of Article 3 d), modify or distribute the Software in whole or part;

(b) decompile, reverse engineer, disassemble, modify, or create derivative works of the Software or any part thereof.

If You do any of the foregoing, your rights under this license will automatically terminate. Such termination shall be in addition and not in lieu of any criminal, civil or other remedies available to Honeywell Scanning & Mobility and/or its Suppliers.

MALWARE: Licensee represents, warrants and covenants that Licensee will not cause or knowingly allow harmful software to be placed on or used with the Software, including but not limited to, the generation or dissemination of computer viruses, Trojan horses, time bombs, denial of service attacks, key logging and other monitoring software, worms, logic bombs, or other code or programs whose effect is to negatively impact the operation or performance of the Software or the safety, security, or privacy of users or owners of the Software, or to

negatively impact the operation or performance of the wireless networks with which the Software may interact ("Networks") or to permit unauthorized use of or access to such Networks. Licensee may not knowingly use Software in any way that could cause harm to the Software or the Networks or impair their use by others. Licensee may not use Software to attempt unauthorized access to any service, data, account, or Network.

8. LIMITED WARRANTY

Except as specifically stated in this License, the Software is provided and licensed "as is" without warranty of any kind, either express or implied, including, but not limited to the implied warranties of merchantability and fitness for a particular purpose. Honeywell Scanning & Mobility warrants that the Software will substantially perform the functions or generally conform to the Software's specifications published by Honeywell Scanning & Mobility and included in this package.

Honeywell Scanning & Mobility does not warrant that the functions contained in the Software will meet your requirements or that the operation of the Software will be entirely error free or appear precisely as described in the Software documentation. Honeywell Scanning & Mobility does not guarantee the performance of the software for use under every possible configuration, including but not limited to failure of the Software due to third party software or the Licensee's computer hardware or network.

NOTE ON JAVA SUPPORT: The Software may contain support for programs written in Java. Java technology is not fault tolerant and is not designed, manufactured, or intended for use or resale as online control equipment in hazardous environments requiring fail-safe performance, such as in the operation of nuclear facilities, aircraft navigation or communication systems, air traffic control, direct life support machines, or weapons systems, in which the failure of Java technology could lead to directly to death, personal injury, or severe physical or environmental damage.

If the Software does not substantially perform the functions or generally conform to the Software's specifications published by Honeywell Scanning & Mobility, You may within thirty (30) days of delivery write to Honeywell Scanning & Mobility to report a significant defect. If Honeywell Scanning & Mobility is unable to correct the defect within ninety (90) days of receiving your report, You may terminate your license and this agreement by returning the Software with the original receipt and your money will be refunded.

9. LIMITATION OF LIABILITY

TO THE MAXIMUM EXTENT PERMITTED BY LAW, UNDER NO CIRCUMSTANCES SHALL HONEYWELL SCANNING & MOBILITY OR ITS SUPPLIERS BE LIABLE FOR DAMAGES OF THIRD PARTIES CLAIMED AGAINST THE LICENSEE OR FOR PERSONAL INJURY, DEATH, OR ANY INCIDENTAL, SPECIAL, INDIRECT OR CONSEQUENTIAL DAMAGES WHATSOEVER, INCLUDING, BUT NOT LIMITED TO, LOSS OF PROFITS, LOSS OF REVENUE OR FAILURE TO REALIZE EXPECTED SAVINGS, LOSS AND/OR HARM OF DATA, BUSINESS INTERRUPTION OR ANY OTHER COMMERCIAL DAMAGES OR LOSSES INCLUDING COSTS ASSOCIATED WITH DATA USAGE OVER COMMUNICATION NETWORKS (E.G. CELLULAR), ARISING OUT OF OR RELATED TO LICENSEES

USE OR INABILITY TO USE THE SOFTWARE, HOWEVER CAUSED, REGARDLESS OF THE THEORY OF LIABILITY (CONTRACT, TORT OR OTHERWISE) AND EVEN IF HONEYWELL SCANNING & MOBILITY HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES. NEITHER WILL HONEYWELL SCANNING & MOBILITY AND ITS SUPPLIERS BE LIABLE FOR ANY DIRECT DAMAGES ARISING OUT OF, OR IN CONNECTION WITH, ANY ALLEGED OR ACTUAL IMPROPER USE OR INSTALLATION OF THE SOFTWARE BY LICENSEE, ALLEGED OR ACTUAL NEGLIGENT ACTS OR OMISSIONS, WILLFUL MISCONDUCT, FRAUD OR FAILURE OF THE SOFTWARE DUE TO THIRD PARTIES SOFTWARE OR THE LICENSEE'S COMPUTER NETWORK. IN ANY CASE THE TOTAL LIABILITY OF HONEYWELL SCANNING & MOBILITY AND ITS SUPPLIERS SHALL BE LIMITED TO THE AMOUNT ACTUALLY PAID BY LICENSEE FOR THE SOFTWARE WITHIN TWELVE (12) MONTHS PRECEDING THE CLAIM ("PERIOD") LESS THE AMOUNT CONSUMED FOR SUPPORT AND MAINTENANCE IN THE PERIOD PRECEDING THE CLAIM.

10. INDEMNIFICATION

Either party shall hold harmless the other party including its staff, officers, directors, partners and controlling persons from and against any and all third party claims, arising out of or relating to the indemnifying party's: (i) alleged or actual negligent acts or omissions, willful misconduct or fraud in connection with this Agreement, (ii) alleged or actual breach of this Agreement; (iii) alleged or actual violation of any statute, law, ordinance or regulation, or (iv) alleged or actual infringement of any patent, copyright, trademark, trade secret or other intellectual property or other rights of a third party.

11. MISCELLANEOUS

11.1 Term and Termination. This License is perpetual. Your rights under this License will terminate automatically without notice from Honeywell Scanning & Mobility if You fail to comply with any term(s) of this License. Upon termination of Your rights under this License, You shall cease all use of the Software and destroy all copies, full or partial, of the Software.

11.2 Applicable law. This License shall be governed by the laws of the State of New York, USA, without regard to its conflicts of law provisions.

11.3 Severability. If any part of this License is found to be illegal, unenforceable, or invalid, the remaining portions of this License will remain in full force and effect.

11.4 Waiver. Neither the failure nor any delay by any Party in exercising any right under this License will operate as a waiver of such right.

11.5 Amendment. This License may only be amended with a signed document that states it is changing this License.

11.6 Notice. Any questions concerning this License should be made in writing to Honeywell Scanning & Mobility, 700 Visions Drive, Skaneateles Falls, NY 13153 USA, Attn.: Legal Department.

12. PRODUCT SUPPORT AND MAINTENANCE SERVICES

Product Support and Maintenance Services ("Services") can be purchased for a term ("Service Contract"), typically in increments of 12 months. Honeywell Scanning & Mobility shall perform for Licensee, Services with respect to the Software as long as Licensee has a valid Service Contract with Honeywell Scanning & Mobility. It is understood that Honeywell Scanning & Mobility cannot guarantee the Services if Licensee tampers or modifies the SQL Database unless explicitly discussed and agreed with Honeywell Scanning & Mobility. The following Services are included:

- Honeywell Scanning & Mobility Technical Support Service. Honeywell Scanning & Mobility will provide technical support via telephone, email, and the HSM Technical Support Portal. For Technical Support details for your region please refer to www.honeywellaidc.com and select "Support".
- Honeywell Scanning & Mobility Skin Catalog Service
- Honeywell Scanning & Mobility Location Based Service
- Free software upgrades (Major & Minor releases)

Other service options such as 24/7 support can be purchased at an additional cost as needed.

For any additional purchases please contact your Honeywell Scanning and Mobility representative. Alternately, you may contact Honeywell Scanning & Mobility at:

- 1-800-582-4263 (North America)
- +52-55 52 03 2100 (Latin America)
- +31 40711 0450 (Europe)
- + 86 21 2894 2000 (Asia)

Service Period Co-Termination

The Product Support and Maintenance period for each device license within a deployment must terminate on the same date.

Whenever additional licenses are purchased You have the option to either: 1) pro-rate the Service Contract for the additional licenses such that expiration coincides with the existing service period, or 2) extend the Service Contract for the existing licenses to coincide with the Service Contract of the additional licenses. An existing Product Support and Maintenance agreement must be in force before additional licenses can be purchased.
